7	Page no 9, Section –B, clause15, Eligibility conditions set forth.... The RESCO unit rate for 25 years will be arrived based on the cumulative capacity after E-RA. EMD can be submitted by the bidders for the complete 31.12 MWp solar project capacity TSREDCO will allow increasing/decreasing the specific site capacity, however the overall capacity should be 31.12 MW DC capacity, the bidders will have to execute minimum 80% of the proposed capacity. If the successful bidder fails to meet this 80% capacity, the Security Deposit of the successful bidder will be forfeited proportionally.	Page no 9, Section –B, clause15, Shall be read as: TSREDCO will allow increasing /decreasing the specific site capacity, however the overall capacity should be 31.12 MW DC capacity, the bidders will have to execute minimum 80% of the proposed capacity. If the successful bidder fails to meet this 80% capacity, the Security Deposit of the successful bidder will be forfeited proportionally. However, if the successful bidder fails to obtain the approvals from the respective departments or organizations such as Technical feasibility from DISCOMs or site roof top feasibility in accommodating the proposed capacity, TSREDCO reserves right to accept such condition and may consider to exempt from levy of penalty accordingly only to that capacity proportionately.
