

**INVITATION FOR PROPOSALS FOR INSTALLATION OF GRID CONNECTED SOLAR ROOF TOP SPV
POWER PLANTS:**

Ministry of New and Renewable Energy (MNRE), Govt. of India has allocated in-principle target to TSREDCO for the year 2016-17 for installation of Grid connected Solar Roof-top Power Plants for a capacity of 70.00 MW and Off Grid systems for a capacity of 8.00 MW as detailed below.

Grid Connected Rooftop Systems:

S.No	Sector	Target allotted for the year 2016-17 and 2017-18
1	Government	50.00 MW
2	Private	20.00 MW
	Total	70.00 MW

Off Grid Systems:

S.No	Sector	Target allotted for the year 2017-18
1	Residential/Police Stations/Govt Institutions/Schools and other establishments in Telangana	5.878 MW
	Total	5.878 MW

The in-principle approval given by MNRE/TSREDCO, will be subject to follow conditions,

- (i) Consent letters from concerned DISCOM indicating their acceptance for extending net metering facility.
- (ii) All the plants will be installed at least as per minimum technical requirements of the “off-grid and decentralized solar applications programme” in vogue and amended from time to time.
- (iii) Only indigenously manufactured PV modules will be used in the project.
- (iv) Proper metering arrangement may be incorporated that generation data from the proposed SPV plants will be available.

Proposals in the MNRE prescribed format (may be downloaded from TSREDCO web-site) are invited for installation of Solar Rooftop SPV Power Plants from the domestic/institutions/commercial/industries and Government Sectors to avail central financial assistance upto 30% of project cost. The eligible CFA shall be as per the norms of the MNRE in vogue and amended from time to time. The Govt. of Telangana has already announced policy for net metering and the details may be downloaded from the official web site of TSREDCO, i.e www.tsredco.telangana.gov.in. The proposals in MNRE prescribed format along with consent given by the TSDISCOM accepting for extending net metering facility shall be submitted to VC & MD, TSREDCO, Institute of Engineers, Khairtabad, Hyderabad.

Non-refundable processing fee of TSREDCO Rs.1000/- per kWp (1-10 kWp), Rs.15000/-(11-100 kWp) and Rs.25000/- (Above 100 kWp) + GST@18%) for grid connected rooftop systems by way of demand draft drawn in favour of TSREDCO payable at Hyderabad shall be paid along with the Application. For Off grid systems of capacity 1- 5 kWp, application fee will be Rs. 1000/- + GST @18% per kWp.
