

PUBLIC NOTICE

- ➔ It is to inform that, the present GCRT Phase-II 25 MW Scheme in Telangana State is going to complete on 25-02-2022.
- ➔ If the new GCRT Phase-II 50 MW Scheme in Telangana State is delayed for any reasons, there is no GCRT Subsidy Scheme from 26th February 2022.
- ➔ The Applications for installation of Rooftop Solar SPV Plants from the beneficiaries / vendors will be received for subsidy purpose and the in-principle sanctions will be issued whenever the new GCRT Scheme is launched. The consumers / vendors are requested not to install the plants until the new scheme is launched.
- ➔ Further, in-principle sanctions under GCRT Phase-II 25 MW Scheme will be issued till 25-02-2022. However, 95% CFA on the actual will be the eligible amount for the systems commissioned between 26-02-2022 to 31-03-2022. This facility is also valid only upto 31-03-2022.
